

## Cable Manager

ConnectMedia 1RU & 2RU Cable Management Panels offer an organised format for patch cord moves and changes. The 2RU model has a separate cable path to service the above or below patch panel, making it easier to find and relocate patch cords.

All panels are comprised of black high impact self extinguishing UL rated plastic rings mounted on black powder coated panels and include cage nuts and mounting screws.

- ➔ 5 Individual Rings (1 RU)
- ➔ 10 Individual Rings (2RU)
- ➔ Flexible Cable Entry
- ➔ Includes Mounting Hardware
